

## We Are Glad You Are Here!

We are starting something new here at Cornerstone Church. When you came in you should have received a postcard. In our efforts to keep our records up to date we ask all attenders to fill out an attendance card. You can fill out one card for your entire family, just be sure to list all family members who are present.

If you have a new phone number, email or mailing address then you can update that information on the card. Share your prayer request on the back if you would like for our pastor or the prayer team to pray for you.

If you are a guest please take a moment to tell us about yourself, and let us know how we can minister to you.

Place the card in the offering plate during the offering.

We never share any information and will only contact you at your request.

Thank you!!

**KIDS:** Nursery is available throughout the service. Preschool through 5<sup>th</sup> grade children will be dismissed during the service and will receive a lesson in Kid's Church. If your child is more comfortable staying in the adult service, Busy Bags are available in the rear of the sanctuary. Please collect your children from their classroom after church.
